A Service Cancellation Request form must be completed and submitted to Vail Water Co in order to cancel service. Vail Water Co requires all cancellation requests to be submitted before 2:30 p.m. the prior work day to the date of cancellation of service. Any submissions of cancellation requests after 2:30 p.m. on the prior work day to cancellation of service will not be completed the following work day. Any questions regarding canceling service or the Service Cancellation form may be answered by calling the Vail Water Co office at 520-647-3679.

By signing this form you are agreeing to canceling your water service on the given date and stating that all of the given information is correct.

Return completed form by mail, fax or email.
